## PATHWAYS TASTER One day training

Suitable for emerging and experienced leaders  
wanting to experience the programme  
and gain training in how to run it in their own parish setting.

**Saturday 10 June 2023**  
**Flagstaff Community Church**  
**Dunedin 9:30am - 5:00pm**

This training day is full funded by the Southern Presbytery

Participants both experience the programme and gain training in how to run it on their own parish setting.

Each parish wishing to participate in this day needs to send two people with a view to them leading it in their parish.

Where a parish has a minister, it is ideal for the minister to be one of those people.
